

Linz, February, 2018

Call for Bids for the AAATE Conference 2019

Dear AAATE Member,

The ***Call for Bids for the 2019 AAATE Conference*** is officially open. Any AAATE member or consortia with strong involvement of AAATE members are entitled to respond to the call.

In case you are considering to candidate as organiser of the 2019 Conference, the enclosed ***Guidelines for Bids*** provide all information you need for preparing and submitting your Bid.

Please note that the characteristics of the conference organisation have been changed. AAATE takes over most of the responsibility for the program and the financial aspects, of course with strong involvement of the local host. This makes organising the conference more attractive and less risky for hosts and the organisation more efficient and sustainable for AAATE.

Deadline for submission of Bids is **April 1, 2018**. The bid should be sent to the AAATE Office by e-mail office@aaate.net.

The Bids received within deadline will be evaluated by the AAATE Board according to the criteria described in the enclosed guidelines. In that stage additional information may be requested from bidders.

The evaluation process will be completed in time for public announcement, latest at the AAATE workshop this year in Linz, Austria.

Should you need further clarifications, please do not hesitate to contact me by email l.p.dewitte@sheffield.ac.uk.

On behalf of the board of AAATE

Luc P. De Witte (President)
